## Serving Persons with Disabilities

All vehicles are wheelchair accessible. For qualifying persons with disabilities NCRTD also provides an ADA paratransit service within the City of Española and the Town of Taos. For all other routes outside those areas, the fixed route bus will "flex" up to 3/4 of a mile on paved and/or graveled roads for qualifying persons with disabilities. These are "origin to destination" transportation services for persons with disabilities who cannot use the fixed bus service.

Individuals who wish to be considered for this service will need to complete an application, have the information verified by a medical professional, and be certified by the NCRTD as ADA paratransit eligible. There is no cost for this service. For more information please call (866) 206 0754 or visit our website at [RidetheBlueBus.com](http://RidetheBlueBus.com)

The bus operator will assist an individual to get on or off the bus, but will not load or unload the individual's personal belongings or carry-on items. If an individual needs assistance beyond this, The District recommends that he/she be accompanied by a personal care attendant or companion. A personal care attendant may ride with the eligible individual at no cost. The personal care attendant must board and alight at the same stops as the passenger.
